

a court order at the state level to compel him to accept these positions. He is going to say that the laws that you are passing this morning prevent him from accepting my petition. The only alternative that I have then is go to federal court and my attempt will be then to have the state constitutional provision declared unconstitutional according to federal requirements. If and when that does occur, all that you have done this morning is going to be invalidated and all that occurred in the primary election is going to be invalidated because the election will have been conducted under a unconstitutional provision. Senator Fellman is a strong party man. He is in favor of partisan politics. So his eyes are going to be blinded to anything that brings about a change in the party control in this country and of its government. At the state level there is something that can be done by this body. There is something which I think must be done, and error was made in passing that other constitutional provision to the state constitution. A mistake was made in passing a law pursuant to that amendment, now you are going to try and pass two additional laws to correct other mistakes and I do not believe that will occur. Now to use a tactic then of Senator DeCamp's the the thing that will happen if you adopt the amendment that I offer is that nobody, need run as a team for a the position of Governor and Lt. Governor. Each person will run as an individual. That is why I am asking you to return 933 to Select File, and adopt an amendment, not to kill the bill, but to adopt the amendment which you can find your bill book.

PRESIDENT: Senator Fellman.

SENATOR FELLMAN: Mr. President, we have been through this before at great lengths. I would urge opposition of this motion for the reasons that have already been discussed at great lengths and I move the previous question.

PRESIDENT: I'm sorry, I didn't catch your motion.

SENATOR FELLMAN: Move the previous question.

PRESIDENT: Previous question has been moved. Does the Chair see five hands? Alright, do you now what....do you now want to close debate. All those in favor of closing debate will vote aye, those opposed no. Motion is to close debate. Thank you. Clerk will record.

CLERK: 26 ayes, 1 nay.

PRESIDENT: Senator Chambers do you want to close on your motion?

SENATOR CHAMBERS: I would like to ask Senator Fellman a question. Senator Fellman, if these two bills are not passed, could a petition candidate have his name placed on the ballot without a running mate?

SENATOR FELLMAN: I'm not positive, but I would think probably yes.

SENATOR CHAMBERS: Whose interest would it be then to bring a law suit, if you have any idea, or opinion?

SENATOR FELLMAN: Yours.
